Professor Z. K. Matthews,
Gaga Street,
P.O. Alice.

Dear Professor,

The Eastern Cape Treason Trialists now in Pretoria - eight of them - have requested me to respectfully ask you to help us with some pocket money.

The enthusiasm that was there during the first days of this case has died and the individual members of Congress and sympathetic friends no longer send us some money to keep us going with the necessary requirements. We have run short of money and none of us has been working at home.

We hope that people like you, who know and appreciate the plight we all in, will do all in their power to see that, at least, sigatshaya. The trial is hung this week Reading in all the

documents found in the possession of the co-conspirators so that you people should be linked up with us in the whole conspiracy.

It is very clear that you people will soon be recalled.

Hoping to hear from you soon.

Yours faithfully,

Enoch Sihwaningwe.
