CHAPTER 2

NATION BUILDING VALUES AND THEIR EDUCATIONAL IMPLICATIONS PAGE

2.1 INTRODUCTION 12

2.2 UNDERSTANDING NATION-BUILDING 12

2.3 THE NEED FOR NATION-BUILDING 14

2.4 VALUES THAT UNDERLIE NATION-BUILDING 15

2.4.1 Democracy 16

2.4.1.1 Understanding the value of democracy 17

2.4.1.2 Democratisation in secondary schools 18

2.4.2 Multilingualism 22

2.4.3 Ubuntu 24

2.4.4 Justice 26

2.4.4.1 Understanding justice 26

2.4.4.2 Promoting justice at secondary school level 27

2.4.5 Transparency 28

2.4.5.1 Understanding transparency 28

2.4.5.2 The need for transparency in a multicultural secondary school 29

2.4.5.3 Consequences of a lack of transparency 30

2.4.6 Success 32

2.4.6.1 Need to promote success 32

2.4.6.2 Relationship between a strong work ethic and success 33

2.4.7 Compassion 35

2.4.7.1 Understanding compassion 35

2.4.7.2 Role of educators 36

2.4.7.3 Concluding remarks 38

2.4.8 Honour 38

2.4.8.1 National symbols 39

2.4.9 Moral values 44

2.4.9.1 Understanding moral values and morality 44

2.4.9.2 The need for moral education 44

2.4.9.3 Role of school in promoting moral development 45

2.4.9.4 Role of parents in promoting moral values 46

2.4.9.5 Summary 46

2.4.10 Summary of national values 47

2.5 WHOLE DEVELOPMENT OF THE LEARNER 50
2.5.1 Adolescence 50
2.5.1.1 Psychosocial challenges facing adolescents 51
2.5.1.2 Role of educators in the whole development of learners 54
2.6 CONCLUSION 55

CHAPTER 3

THE RELATIONSHIP BETWEEN NATION-BUILDING VALUES AND MULTICULTURAL EDUCATION IN SECONDARY SCHOOLS **PAGE**

3.1 INTRODUCTION 57

3.2 WHAT IS MULTICULTURAL EDUCATION? 58

3.3 GOALS OF MULTICULTURAL EDUCATION 62

3.4 THE DIMENSIONS OF MULTICULTURAL EDUCATION 64

3.4.1 Content integration 65
3.4.2 Knowledge construction process 66
3.4.3 Prejudice reduction 66
3.4.4 Equity pedagogy 66
3.4.5 Empowering school culture and social structure 67
3.4.6 Summary of the dimensions of multicultural education 67

3.5 ASSUMPTIONS ASSOCIATED WITH MULTICULTURAL EDUCATION 67

3.6 MULTICULTURAL SCHOOLS AND NATION-BUILDING VALUES 68

3.7 CHARACTERISTICS OF A MULTICULTURAL SECONDARY CLASSROOM 71

3.7.1 Cultural diversity 74
3.7.1.1 Introduction 74
3.7.1.2 Equity culture 75
3.7.1.3 Uniqueness of self 76
3.7.1.4 Cultural tolerance and respect 76
3.7.1.5 Role of educators 76
3.7.1.6 The South African story 77
3.7.1.7 Summary 78
3.7.2 Friendship and social relations 78

3.8 DEVELOPING A MULTICULTURAL CURRICULUM FOR NATION-BUILDING 79

3.8.1 Curriculum transformation 80
3.8.1.1 Cultural values 81
3.8.1.2 Anti-racist education 82

3.9 CULTURAL TOLERANCE AND RESPECT 83

3.10 LEARNER CONTRIBUTIONS 86

3.10.1 Seminaring 86
3.10.2 Involvement in sport 87
3.10.3 Claiming ownership of the school 87
3.10.4 Cross-age tutors 88

3.11 EDUCATOR CONTRIBUTIONS 89

3.11.1 Self-empowerment 89
3.11.2 Paradigm shift and preparation 89
3.11.3 Efficient use of school materials 90
3.11.4 Inclusive education 91
3.11.5 Interdisciplinary instruction 92
3.11.6 Managing diverse classrooms effectively 93
3.11.7 Coping with language 94
3.11.7.1 Spoken language 94
3.11.7.2 Body language 94
3.11.8 Conflict resolution 95
3.11.9 Parent involvement 95
3.11.10 Skills enhancement 96
3.11.11 Research and reading 98
3.11.12 Role modelling 98
3.11.13 Summary 98

3.12 FACTORS MILITATING AGAINST THE PROMOTION OF NATION-BUILDING VALUES IN MULTICULTURAL SECONDARY SCHOOLS 100

3.12.1 Prejudice 100
3.12.2 Ethnicity 100
3.12.3 Religious intolerance 102
3.12.4 Racism 103
3.12.5 Misuse of curricular material 105
3.12.6 Hegemony 106

3.13 CONCLUSION 107

CHAPTER 4

EMPIRICAL RESEARCH DESIGN **PAGE**

4.1 INTRODUCTION 109

4.2 DELIMITATION OF THE EMPIRICAL RESEARCH 109

4.3 AIMS OF THE STUDY 109

4.3.1 General aims of the study 109

4.3.2 Specific aims of the study 110

4.4 TYPE OF RESEARCH – QUALITATIVE 110

4.4.1 Characteristics of qualitative research 112

4.4.1.1 Study of behaviour 112

4.4.1.2 Natural setting 112

4.4.1.3 Direct data collection 112

4.4.1.4 Empathy 112

4.4.1.5 Two types of data 113

4.4.2 The qualitative approach used in the study 113

4.4.3 Selection of participants and their tasks 115

4.4.3.1 Subject educators 115

4.4.3.2 Learners 116

4.4.3.3 Relationship between researcher and learners 116

4.5 THE DESIGN OF THE EMPIRICAL STUDY 117

4.6 RESEARCH TECHNIQUES AND INSTRUMENTS 120

4.6.1 Focus group interviews 120

4.6.1.1 Principles 120

4.6.1.2 Process of interviews 122

4.6.1.3 Appendices E and G for interviews 124

4.6.2 Open-ended questionnaire 126

4.6.2.1 Purpose of open-ended questionnaire 126

4.6.2.2 Structure of the questionnaire (Appendix F) 128

4.6.3 Qualitative observation 129

4.6.3.1 Introduction 129

4.6.3.2 Types of qualitative observation 129

4.6.3.3 Guidelines for qualitative observation 131

4.6.3.4 Conducting the observation 131
4.6.3.5 Period of observation 132
4.6.3.6 Recording of observations 132
4.6.4 Post-empirical research discussion with subject educators 133
4.6.4.1 Post-empirical Research 134

4.7 ANALYSIS OF THE DATA 135

4.7.1 Analysis of the data collected by interviews 138
4.7.1.1 Transcription of data 138
4.7.1.2 Data reduction 138
4.7.1.3 Coding 139
4.7.1.4 Use of learners in analysis 140
4.7.2 Analysis of data collected by open-ended questionnaire 141
4.7.3 Analysis of post-empirical research discussion with subject educators (Appendix H) 142
4.7.4 Analysis of data collected by observation 143

4.8 INTERPRETATION 144

4.8.1 Interviews (Appendices E and G) 145
4.8.2 Open-ended questionnaire (Appendix F) 145
4.8.3 Post-empirical research discussion instrument (Appendix H) 145
4.8.4 Observation data sheet (Appendix D) 145

4.9 SYNTHESIS OF EMPIRICAL FINDINGS 146

4.10 CONCLUSION 146

CHAPTER 5

PRESENTATION AND DISCUSSION OF FINDINGS **PAGE**

5.1 INTRODUCTION 148

5.2 NATURAL SETTING 148

5.3 REPORT ON INITIAL MEETING WITH EDUCATORS 149

5.3.1 Introduction 149
5.3.2 Selection of educators 150
5.3.3 Report on meeting 150

5.4 SELECTION OF LEARNER PARTICIPANTS 152

5.5 QUALITATIVE ANALYSIS OF INTERVIEWS 152

5.5.1 Process involved in analysis of interviews 153
5.5.1.1 Transcription of data 153
5.5.1.2 Data reduction 153
5.5.1.3 Coding 153
5.5.1.4 Learners' behaviour and atmosphere during the interviews 158
5.5.2 Qualitative analysis of initial interview with all learners 158
5.5.2.1 Introduction 158
5.5.2.2 Qualitative analysis of individual items 158
5.5.3 Qualitative analysis of second interview with learners in cultural groups 164
5.5.3.1 Introduction 164
5.5.3.2 English cultural group 165
5.5.3.3 Zulu cultural group 167
5.5.3.4 Indian cultural group 168
5.5.3.5 Taiwanese cultural group 169
5.5.3.6 Afrikaner cultural group 170
5.5.3.7 Coloured cultural group 171
5.5.3.8 Summary 172
5.5.4 Use of learners in analysis 173

5.6 QUALITATIVE ANALYSIS OF OPEN-ENDED QUESTIONNAIRE 174

5.6.1 Procedure used in analysis 174
5.6.2 Analysis of category 1 178
5.6.3 Analysis of categories 2 and 4 179

5.6.3.1 English cultural group values 179
5.6.3.2 Zulu cultural group values 180
5.6.3.3 Indian cultural group values 180
5.6.3.4 Taiwanese cultural group values 181
5.6.3.5 Afrikaner cultural group values 182
5.6.3.6 Coloured cultural group values 182
5.6.3.7 Summary 183
5.6.4 Category 3 – communication and interaction in a multicultural secondary school 184
5.6.4.1 English learners – communication and interaction patterns 184
5.6.4.2 Zulu learners – communication and interaction patterns 185
5.6.4.3 Indian learners – communication and interaction patterns 185
5.6.4.4 Taiwanese learners – communication and interaction patterns 186
5.6.4.5 Afrikaner learners – communication and interaction patterns 186
5.6.4.6 Coloured learners – communication and interaction patterns 187
5.6.4.7 Summary 187
5.7 ANALYSIS OF POST-EMPIRICAL RESEARCH DISCUSSION WITH SUBJECT EDUCATORS 189
5.7.1 Analysis of post-empirical research discussion: classroom based observation 189
5.7.1.1 Introduction to analysis of post-empirical research discussion: classroom based observations 189
5.7.1.2 Process followed in analysing the post-empirical research discussion: classroom observations 190
5.7.1.3 Analysis of post-empirical research discussion with classroom observation subject educators 193
5.7.2 Analysis of post-empirical research discussion with educator: observations on the grounds 197
5.7.2.1 Introduction to analysis of post-empirical research discussion with educator: observations on the grounds 197
5.7.2.2 Process of analysis and analysis of post-empirical research discussion with educator: observations on the grounds 198
5.7.2.3 Summary 202

5.8 QUALITATIVE ANALYSIS OF OBSERVATION OF LEARNERS 203

5.8.1 Introduction 203
5.8.2 Process followed in the analysis of data 203
5.8.3 Summary 208

5.9 INTERPRETATION 210

5.9.1 Initial interview with learners 210
5.9.2 Second interview with learners 210
5.9.3 Open-ended questionnaire 211
5.9.4 Post-empirical research discussion with educators 212
5.9.5 Observation Data Sheets 213

5.10 CONCLUSION 213
