

APPENDIX B: Parental Consent Form

I, the undersigned,

.....

hereby give my consent that my child, (child's name),, may participate in the research study being conducted by Deirdre Henning, in part fulfilment of her Master's degree in Clinical Psychology at UNISA. I understand that the study is focussed on my child's experience of my divorce.

I acknowledge that I gave my consent willingly and without being unduly influenced to do so by any other person.
