INTERVIEW SCHEDULE

I am an Unisa student doing my Master’s Degree. The interview schedule is part of my research.

OBJECTIVE OF THE STUDY

An assessment of needs and community-base resources for the mentally retarded patients in the community of District 22, KwaZulu-Natal.

Instructions

1. Please answer every question with a cross mark (x) or a short response.
2. It should take approximately 45 minutes to complete the interview schedule.
3. Participation in this study is voluntary.
4. You will not be identified individually, and all information will be treated as strictly confidential.
5. Thank you for your co-operation.
