THE IMPLEMENTATION OF OUTCOMES-BASED EDUCATION IN
THE EASTERN CAPE – A MANAGEMENT PERSPECTIVE
AT MICRO LEVEL

TABLE OF CONTENTS

| CHAPTER 1: | AN ORIENTATION TO THE PROBLEM IN PRACTICE |
| 1.1 | Introduction to the Education System in South Africa | 1 |
| 1.1.1 | The Traditional Approach to Education in South Africa | 1 |
| 1.1.2 | The Need for Relevant Education in South Africa | 2 |
| 1.1.3 | The Change to Outcomes-based Education | 4 |
| 1.1.4 | Managing the Curriculum | 5 |
| 1.1.5 | Criticism of Outcomes-based Education | 6 |
| 1.2 | Statement of the Problem | 8 |
| 1.3 | Aim of the Research | 9 |
| 1.4 | Methods of Investigation | 9 |
| 1.5 | Structure of the Thesis | 11 |
| 1.6 | Clarification of Concepts | 11 |
| 1.7 | Summary | 12 |

| CHAPTER 2: | THE FOUNDATIONS OF OUTCOMES-BASED EDUCATION |
| 2.1 | Introduction | 14 |
| 2.2 | The Traditional Approach to Education in South Africa | 15 |
| 2.3 | The Need for Relevant Education in South Africa | 16 |
| 2.4 | The Shift from Content-based Education to Outcomes-based Education | 18 |
| 2.5 | Outcomes-based Education in South Africa | 21 |
| 2.5.1 | Outcomes-based Education Defined | 22 |
| 2.5.2 | The Purposes and Premises of Outcomes-based Education | 23 |
| 2.5.3 | Forms of Outcomes-based Education | 26 |
2.5.3.1 Traditional Outcomes-based Education ................................................. 26
2.5.3.2 Transitional Outcomes-based Education ............................................. 27
2.5.3.3 Transformational Outcomes-based Education ..................................... 27

2.5.4 The Characteristics of Outcomes-based Education .................................. 29
2.5.5 The Key Elements of Outcomes-based Education ......................................... 32
  2.5.5.1 The Principles of Outcomes-based Education ............................................. 32
  2.5.5.2 Outcomes ......................................................................................... 35
    (a) Critical Outcomes ................................................................................. 36
    (b) Learning Outcomes ............................................................................. 37

2.6 The Role of the Teacher in an Outcomes-based Approach to Education .......... 40
  2.6.1 Implementing the Curriculum .................................................................. 40
    2.6.1.1 Curriculum 2005 .............................................................................. 40
      (a) Critical Outcomes ................................................................................. 41
      (b) Specific Outcomes .............................................................................. 43
      (c) Learning Areas .................................................................................... 43
      (d) Learning Programmes ......................................................................... 44
      (e) Phase Organisers .................................................................................. 44
      (f) Programme Organisers ........................................................................ 44
    2.6.1.2 The Review Process ........................................................................... 45
    2.6.1.3 The Revised National Curriculum Statement .......................................... 48
      (a) Critical Outcomes ................................................................................. 49
      (b) Learning Outcomes .............................................................................. 49
      (c) Assessment Standards ......................................................................... 49
      (d) Learning Areas .................................................................................... 50
      (e) Learning Programmes ......................................................................... 50
      (f) Levels of Planning ................................................................................. 51

2.6.2 Assessing the Learner .............................................................................. 52
  2.6.2.1 Defining Assessment ............................................................................. 53
  2.6.2.2 The Purpose of Assessment ................................................................... 54
  2.6.2.3 The Characteristics of Outcomes-based Assessment .............................. 57
  2.6.2.4 Types of Assessment ............................................................................ 58
  2.6.2.5 Methods of Assessment ...................................................................... 59
  2.6.2.6 Activities that Generate Evidence for Assessment ................................. 60
  2.6.2.7 Recording Assessment ........................................................................ 64
  2.6.2.8 Implications for Outcomes-based Assessment ......................................... 67

2.7 The Role of the Principal in an Outcomes-based Approach to Education ...... 70
CHAPTER 3: MANAGING THE CURRICULUM

3.1 Introduction ........................................................................................................ 80

3.2 The Field of Curriculum Management .............................................................. 82
   3.2.1 Defining Management and Curriculum ..................................................... 82
   3.2.2 Classifying Curriculum ............................................................................. 85
   3.2.3 The Features of a Curriculum ..................................................................... 86
   3.2.4 The Characteristics of a Curriculum Manager .......................................... 87

3.3 The Role of District Officials in Managing the Curriculum .................................. 89
   3.3.1 Managing Change .................................................................................... 89
      3.3.1.1 Attitudes of Principals and Teachers towards Change .................. 89
      3.3.1.2 Commitment as a Prerequisite to Curriculum Change ............... 94
   3.3.2 The Training of Principals and Teachers in the Curriculum .................... 95
   3.3.3 The Monitoring and Support of Principals and Teachers ....................... 97

3.4 The Role of the Principal in Managing the Curriculum ..................................... 99
   3.4.1 Co-ordinating the Curriculum ................................................................... 100
   3.4.2 Ensuring the Implementation of Policy ..................................................... 103
      3.4.2.1 The Revised National Curriculum Statement (RNCS) Policy .......... 105
      3.4.2.2 The Language in Education Policy .................................................. 105
      3.4.2.3 The ‘Norms and Standards for Language Policy in Public Schools’ .......... 106
      3.4.2.4 The National Policy on HIV/Aids for Learners and Educators in Public Schools and Students and Educators in Further Education and Training Institutions ........................................ 106
      3.4.2.5 The Norms and Standards for Educators Policy .............................. 106
      3.4.2.6 The Education White Paper 6: Special Needs Education Policy .......... 107
      3.4.2.7 The Religion and Education Policy .................................................. 107
      3.4.2.8 The Assessment in the General Education and Training Band Policy .................. 107
3.4.3 The Monitoring and Support of Teachers ........................................108
3.4.4 The Development of Teaching Staff ...........................................108
  3.4.4.1 Good Leadership ....................................................................108
  3.4.4.2 Teacher Development ..........................................................111
3.4.5 Managing the Resources in the School .......................................116
3.4.6 Evaluating the Curriculum .......................................................117
  3.4.6.1 The Reasons for Principals to Undertake an Evaluation........120
  3.4.6.2 The Selection of Evaluation Objects....................................124
3.5 The Role of the Teacher in Managing the Curriculum ......................128
  3.5.1 Developing the Curriculum.....................................................129
    3.5.1.1 The Development of Learning Programmes .......................131
    3.5.1.2 The Development of Work Schedules ...............................132
    3.5.1.3 The Development of Lesson Plans...................................133
3.6 Conclusion ....................................................................................136
  3.6.1 Implications for District Officials in Managing the Curriculum......136
  3.6.2 Implications for Principals in Managing the Curriculum.............138
  3.6.3 Implications for Teachers in Managing the Curriculum..............145

CHAPTER 4: THE IMPLEMENTATION OF OUTCOMES-BASED EDUCATION IN THE EASTERN CAPE – A QUALITATIVE INVESTIGATION

4.1 Introduction......................................................................................147
4.2 The Research Design .......................................................................148
  4.2.1 The Context of the Study .........................................................149
  4.2.2 The Nature of the Research .....................................................150
  4.2.3 Data-Collection Strategies .......................................................151
    4.2.3.1 Individual Interviews .........................................................152
    4.2.3.2 Focus Group Interviews.....................................................153
    4.2.3.3 Examination of Documents...............................................154
  4.2.4 The Research Instrument..........................................................154
  4.2.5 Data Collection and Sampling................................................155
    4.2.5.1 The Sample ........................................................................155
      (a) Individual Interviews .........................................................156
      (b) Focus Group Interviews.....................................................159
4.2.5.2 The Procedure of Data Collection ........................................ 159

(a) Individual Interviews ................................................ 159
(b) Focus Group Interviews ............................................ 160
(c) Examination of Documents ........................................ 160

4.2.5.3 Credibility of Data ......................................................... 161

4.2.6 Analysing the Data ............................................................. 162

4.3 Interpretation and Presentation of Results .................................................. 163

4.3.1 Individual Interviews: The Implementation of Outcomes-based
Education at District Level .................................................. 163

4.3.1.1 Managing Change ..................................................... 163
4.3.1.2 The Training of Principals and Teachers .................... 165
4.3.1.3 The Monitoring and Support of Principals and Teachers ... 174

4.3.2 Focus Group Interviews: Factors that influence the
Implementation of Outcomes-based Education at District Level ...... 176

4.3.2.1 Promoting Factors .................................................... 176
4.3.2.2 Hampering Factors ................................................... 179

4.3.3 Individual Interviews: The Implementation of Outcomes-based
Education at School Level .................................................. 185

4.3.3.1 Co-ordinating the Curriculum ..................................... 185
4.3.3.2 Ensuring the Implementation of Policy ......................... 186
4.3.3.3 The Monitoring and Support of Teachers .................... 189
4.3.3.4 The Development of Teaching Staff ......................... 190
4.3.3.5 Managing the Resources in the School ...................... 191
4.3.3.6 Evaluating the Curriculum ........................................ 192

4.3.4 Focus Group Interviews: Factors that Influence the
Implementation of Outcomes-based Education at School Level ...... 194

4.3.4.1 Promoting Factors .................................................... 194
4.3.4.2 Hampering Factors ................................................... 199

4.3.5 Examination of Documents and Individual Interviews:
The Implementation of Outcomes-based Education at Classroom
Level ............................................................... 203

4.3.5.1 Developing the Curriculum ........................................ 203

4.3.6 Focus Group Interviews: Factors that Influence the
Implementation of Outcomes-based Education at Classroom Level

4.3.6.1 Promoting Factors
4.3.6.2 Hampering Factors

4.3.7 Summary of the Findings concerning the Implementation of OBE in the Eastern Cape

CHAPTER 5: AN OVERVIEW OF THE INVESTIGATION, GUIDELINES AND RECOMMENDATIONS

5.1 Introduction

5.2 An Overview of the Investigation

5.3 A Synthesis of Significant Findings and Recommendations

5.3.1 District Level

5.3.1.1 Managing Change
5.3.1.2 The Training of Principals and Teachers
5.3.1.3 Supporting Principals and Teachers

5.3.2 School Level

5.3.2.1 Co-ordinating the Curriculum
5.3.2.2 Implementing Policy
5.3.2.3 Teacher Support
5.3.2.4 Staff Development
5.3.2.5 Resource Management
5.3.2.6 Curriculum Evaluation

5.3.3 Classroom Level

5.3.3.1 Curriculum Development

5.4 Recommendations for Further Research

5.4.1 The Availability, Quality and Effectiveness of Training Materials for Teacher Training
5.4.2 The Training of Principals in Managing the Curriculum

5.5 Limitations of the Study

5.6 Concluding Remarks
TABLES

2.1 The differences between the ‘old’ and the ‘new’ educational approaches to teaching...........................................................................................................19

4.1 Characteristics of District Officials ...............................................................156

4.2 Characteristics of Principals ........................................................................157

4.3 Characteristics of Teachers........................................................................158

APPENDICES

Appendix 1: Interview Schedules.................................................................265

Appendix 2: Example of Interview.............................................................267
