

ACKNOWLEDGEMENTS

A heart felt thank-you to Professor Sandra Joubert for her professional guidance, encouragement and availability throughout the duration of this study. Thank you as well to Professor Johan Prinsloo for agreeing to be the co-promoter of this study.

Thank-you to my husband Toni for his support and enabling me to undertake this study.

The researcher also wishes to thank the South African Police Service for permitting access to police members for interviews and to the Department of Correctional Services for their fantastic cooperation in locating offenders for interview purposes and all the interviewees who added wealth to this study.
