ACKNOWLEDGEMENTS

I would like to express my appreciation and thanks to the following for their encouragement, guidance and help:

My Supervisor, Professor Tinyiko Maluleke. He has given me sound advise, been very willing to share his great wisdom and has enthused and motivated me.

Pastors Carl and Joan Hendricks. I salute you for your leadership. Thanks for the interviews, many thanks for providing me with some literature. Truly you are Gods anointed for Crystal Tabernacle.

In the final analysis, all praise must go to the God around whom this dissertation revolves. Active in our history, caring for the oppressed, relevant to our time and culture, God is the one whom comforts and fills us with hope. Without God, life would indeed be empty.
