Thank you for your request to reprint the following material, "Journalism Studies: The Need to Think about Journalists' Thinking," 26.2 (2005): 142-158 by Pieter J. Fourie from our journal, *Ecquid Novi*, in your forthcoming *Institutional Repository for the University of South Africa* (<http://uir.unisa.ac.za>), to be published by The University of South Africa.

The University of Wisconsin Press is pleased to grant the permission you request. The rights hereby granted are non-exclusive, print and e-book, in the English language only, world wide, and for the edition you have described only. Please note that these rights include electronic rights for the sole purpose of the open-access institutional repository for your organization. Use of this material in any subsequent edition or format, except editions adapted for blind or handicapped individuals for which no compensation is received, will require a separate request.

Our suggested acknowledgment:
