re: your 18 November letter to the Journal of Infectious Diseases

Dear Leslie Adriaanse:

Your letter to the *Journal of Infectious Diseases* office was forwarded to me at the University of Chicago Press because we are the publishers of this journal. Thank you for writing.

I am happy to say that we can waive any fees which may be due us and grant to you permission to include the following contributions from the special issue of JID in your archive, as described in your letter:

M Esona, D Steele, T Kerin, I Peenze, A Geyer, N Page, J Nyangao, V Akran Agbaya, A Trabelsi, B Tsion, M Aminu, T Sebumya, G Armah, J Dewar, R Glass, and J Gentsch. "Determination of the G and F types of previously untypeable rotavirus strains from the Africa Rotavirus Network from 1996-2004: Identification of unusual G-types" *Journal of Infectious Diseases* Volume 202, Issue S1, Page S49-S54, Sep 2010.

M Sehen, J Dewar, L van der Merwe, A Geyer, J Tumbo, M Zweggarth, P Bos, M Esona, A Steele, and H Sommerfelt. "Prospective Hospital-Based Surveillance to Estimate Rotavirus Disease Burden in the Gauteng and North West Province of South Africa during 2003-2005" *Journal of Infectious Diseases* Volume 202, Issue S1, Page S131-S138, Sep 2010.

M Sehen, N Page, J Dewar, A Geyer, L Nematude, P Bos, M Esona, H Sommerfeld, and D Steele. "Characterization and molecular epidemiology of rotavirus strains recovered in
