The Secretary for Native Affairs,
Department of Native Affairs,
P.O.Box 384,
PRETORIA.

Dear Sir,

Re Investigation of Title-deeds in Fingo Location, Grahamstown.

You will remember that when I was in Pretoria during the session of the Native Representative Council I had the honour to interview you regarding the above mentioned investigation on behalf of the inhabitants of the Fingo Location. The particular point about which I required information on behalf of these people concerned the conditions which the Department proposed to impose on the title-deeds which might be substituted for those which they hold at present as a result of the investigation now in progress. You were kind enough to promise that this matter would be looked into as soon as possible so as to give the people some idea of what they might expect. In a recent visit to Grahamstown I found that the people were still somewhat in the dark about this matter.

As this matter is causing a considerable degree of alarm and uncertainty I should be much obliged if it would receive your early attention. When the draft conditions are available I should appreciate it if you would do me the favour of sending me a copy of same.

I have the honour to be, Sir,

Yours respectfully,

MR.C.representing Cape Rural Areas.
