

16th November, 1967.

Dear Papa,

Enclosed herewith lists and letters containing some information about students who have completed and those still to complete. I regret that we do not have properly compiled lists with detailed information. This is in Dar . But I will keep on adding to this from time to time as I get fresh facts.

Your loving Son ,

A handwritten signature in blue ink, appearing to read "Babbar", is written over a single horizontal line.
