IMPORTANT NOTICE — TERMS AND CONDITIONS

The drawee of the check is herein referred to as the "Payer." We may credit the Payer at any time with the amount of the check (or its equivalent) and, following any such credit, we may regard the amount so credited as being held by us in all respects for the account of the Payer and as subject to its order and control, and we shall be without liability for (a) any acts or failures to act on the part of the Payer, or (b) failure of the funds to reach the payee of the check.

The check shall be presented promptly to the Payer for payment, and if drawn in a currency other than that of the place of payment as indicated thereon, it shall be payable to the holder thereof at the then buying rate of the Payer for checks of that currency on the date when payment is effected unless the holder thereof arranges otherwise with the Payer and pays all its charges in connection therewith.

Should the check not be paid by the Payer and a refund be desired by the holder, the original of the check duly endorsed and each counterpart thereof which may be outstanding shall be surrendered to us, whereupon as and when the Payer shall have made freely available to us the amount which may have been credited to it relative to the check, we will, subject to any official regulations then applicable thereto, refund the amount of the check to the holder, provided, however, that, if the check is in other than United States Dollars, it shall be optional with us as to whether refund will be made (a) in United States Dollars at our buying rate for the amount of foreign currency on the date of refund, or (b) in the amount and currency of the check, or (c) by instructing the Payer to hold the said amount of foreign currency for the holder's account and risk.
