Mr. T. Ngwenya,
45 Mount Street,
CAPE TOWN.

Dear Mr. Ngwenya,

I have been asked by the organisers of the Coloured Convention to be held in Cape Town in October 19 to write a paper to be read at the Conference. I agreed to write the paper and suggested that you should read the paper for me. I take it you will also have to answer any question arising out of any discussion of the paper which may arise. I am sorry it is not possible for me to attend.

I am therefore sending you a copy of the paper for you to study before you read it. I have sent another copy to Mr. J.C.A. Daniels, the Secretary of the Conference.

Otherwise how are things with you? We are keeping well, although we are worried about Press Reports concerning the Feller Organisation. People are wanting to know from me how this is going to affect African Horizons. I do not know what to say. I shall be writing to Binnedel about the matter.

With kind regards to the family.

Yours sincerely,

Z.K. MATTHEWS.
