This is to certify that Faith Caluza was a student in the Adams High School during the year 1932 in the First Year Matriculation Class. During that time she proved herself to be a diligent and painstaking student of considerable ability, and although her work was interfered with by a period of illness, she passed the final examination of her class. With regard to extracurricular activities, she was always useful in musical entertainments with her piano-playing and her singing and was an active member of the Students' Christian Association. I feel sure that given the right opportunities she will go along way with her education, and will emulate the example, in all directions, of her splendid parents, Rev. and Mrs F.M. Caluza, of Durban.
