Ref. No. 1/1/1

Prof. Z.K. Matthews,
Acting Principal,
Fort Hare University College,
FORT HARE, C.P.

Dear Prof. Matthews,

Your letter of the 12th inst. has just arrived. I need hardly tell you how much we appreciate the generous gesture of your Senate in contributing £25 towards the expenses of the course of lectures to be held at Fort Hare under the auspices of the S.C.A., in addition to granting permission for these lectures to be held. The contribution is very welcome indeed, and I am certain that my Executive would also wish me to convey their heartfelt gratitude to your Senate for this token of their interest and support. Would you please inform the Senate of these sentiments? To you personally I would also add a word of very sincere thanks for your own share in this matter.

In connection with Valdo Galland's visit to Fort Hare, I can now inform you that he will be arriving at East London on Monday afternoon, April 30th, where he will be met by Mr. Mokoteli and taken to Fort Hare. On Tuesday he will be available for meetings. We should appreciate it very much if you could arrange, as you have undertaken to do, a meeting with the whole student body, as well as one with the S.C.A. branch and discussions with smaller groups. All this will have to be done on Tuesday, as he will be leaving again from East London to Durban on Wednesday, May 2nd.

Thanking you again, and with all good wishes,

Yours sincerely,

W.S. Conradie
