DEPARTMENT OF LAW

Dear Professor Matthews,

This is just to thank you very much for your letter and for your "Curriculum Vitae". I have shown it to the Principal and other Senior Members here and we all hope very much it will be possible to make you an offer of appointment to this College.

I can, of course, only write unofficially and I hope that shortly you will be hearing from the Principal or Registrar direct. I am afraid it takes a little time to get these matters decided as the machinery for making appointments is rather cumbersome. I can only hope that a few weeks delay will not cause you any embarrassment or inconvenience. If you would like any immediate answer, would you let me know and I will see what I can do.

May I again send to you and your colleagues at Fort Hare our deepest sympathy. I do indeed trust that it will be possible within a few weeks to make you an offer of appointment at this College.

With very best wishes.

Yours sincerely,

(J.H.A. Lang)
