University College of Fort Hare,  
P.O. FORT HARE. C.P.

9th November, 1959.

Dear Professor,

I acknowledge receipt of your letter of the 6th instant,  
and note contents.

Subsequent to my writing to you on the 30th ultimo, Senator  
Rubin communicated with me in response to a letter which you had written  
to him, but your letter to him was apparently delayed, and he received  
it only after I had written to you.

I note that you will not be free from Fort Hare before the 31st  
December, 1959, and that you obviously would like to consider your position  
in detail.

It is difficult to discuss these matters by correspondence, and  
wonder whether there is any possibility of your visiting Cape Town in the  
near future. On the other hand, our Manager, Mr. Binedell, may be visiting  
our Branches towards the end of this month, and we may be able to arrange  
for him to call on you.

In the meantime however, I should appreciate having from you  
your suggestions as to the best areas where we could open Branches to write  
non-collecting business.

With kindest regards,

Yours sincerely,

M.B. KOSSEW.
