The Registrar,  
University College of Fort Hare,  
FORT HARE.

Dear Sir,

I am sending you herewith a letter which I have addressed to the Secretary for Bantu Education notifying him of my resignation in terms of the proviso to Section 3(1) of the Fort Hare Transfer Act, with effect from December 31, 1959.

I joined the staff of the College in January, 1936, and now that I find myself unable to continue to serve the College under the new conditions, I should like to take the opportunity to ask you to convey to the Principal and the Council my appreciation of everything that I have had from the College during my stay here. I shall always treasure the happy memories I have of association ~~xxxx~~ for many years with the Governing Council, the Senate, the staff and the students of Fort Hare.

Yours faithfully,

*J. K. Matthews*
