Broadcasting House,
London, W.1.
England.

Dear Sir,
Thank you for your letter 01/PC/MH. dated 8/2/61
in which you refer to a formal contract for two programmes
entitled "South African Silences" recorded between 4th February
& March 16th broadcast in your Third Programme on 3rd and
8th June 1960, and sent to me on 13th June, 1960.

The documents concerned reached here at a time
when I was detained under the S.A. Emergency Regulations
then in force and were probably mislaid
I should be glad if you would send me a
duplicate for completion.

Trusting that I will receive no copies this time
Yours faithfully
J. K. Matthews
