

UNIVERSITY COLLEGE OF FORT HARE,

ALICE.

15th April, 1961.To Professor Z. K. MATHEWS

WHEN The OLD Regime Came to an end, STudents got to know only too late that Prof. Mathews would be leaving and as such were unable to do anything for him in acknowledgement of his services at FORT HARE. Since then the students have always been conscious of their indebtedness to Prof. Mathews and in their efforts to show their gratitude to their ex-professor have ~~been~~ more than once been thwarted by forces beyond their control.

we, the undersigned, on behalf of the students of the University College of FORT HARE present Professor MATHEWS with a sum of £10 10/- which should contribute towards the buying of his doctorate gown. This gesture is our sincere and humble acknowledgement of his long academic services for the 24 years he lectured at FORT HARE.
