Dear Mr Mathews,

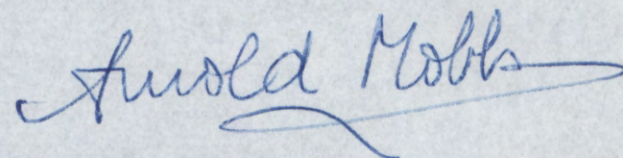

May this letter bring to you and to Mrs Mathews our congratulations for your designation as ambassador to Washington and permanent delegate of your country at the United Nations.

We did very much appreciate your kindness and your deep knowledge of so many problems. We will regret very much your presence at the meetings of the World Council of Churches and in Geneva.

May God bless and guide your new and so important task.

With our kind regards to you and Mrs Mathews

Yours very sincerely

Arnold Mobbs
