Miss Joane Pim, L.I.L.A.
5, Gordon Hill,
Parktown,
JOHANNESBURG.

Dear Miss Pim,

I have delayed writing to Mr. Blackwell in regard to Professors Matthews and Nyembezi's proposed fund raising, in the hope that you would reply to my letters of the 9th February, 25th January and 30th November 1960. I would be grateful if you would let me know whether or not you wish to drop our project to raise this money, as, you will, I am sure, agree that it is not right or proper to keep Mr. Blackwell in suspense any longer.

Would you please let me have an early reply, even if you decide that you cannot proceed with the project, as I would like to write to Mr. Blackwell not later than Friday next, the 17th instant.

Yours sincerely,

L.S. TUNBRIDGE.
