Dear Mrs. Matthews,

It was with deep sorrow that the members of our Committee heard of the untimely death of your beloved husband.

His great services for the African people in so many different spheres had gained for him the deepest respect of many people around the world. He had a special interest in political refugees and while serving as Secretary for Africa with the World Council of Churches in Geneva he showed deep interest in the political refugees from the Republic of S. Africa and from Mocambique who are resident in Swaziland. He played a large part in securing financial assistance for them and was of great assistance to our Committee in their efforts to help the refugees who had found it difficult to support themselves in Swaziland.

Our Committee sends ~~you~~ our sincere sympathy to you and your family in your bereavement and prays that the comfort of the Lord may be specially yours at this time.

Yours very sincerely,

David Hynd.
CHAIRMAN.
