PERSONAL

Mr. Seretse Khama,  
P.O. Serowe,  
B.P.

Dear Sir,

I am sending you herewith a letter on behalf of the Council and Senate of the College to express our sympathy with you in the sad loss which you have suffered by the death of your distinguished uncle.

As you know, throughout his life he and I were personal friends apart from the fact that I recognised him as my Chief. His sudden death has therefore filled me with great grief and came as a shock to us all. I am sorry that because of other commitments I was not able to make the trip to Serowe to pay my last respects by attending his funeral. On occasions such as this it is difficult for us to find words with which we can comfort those who have suffered an irreparable loss. All I can say is that all of us must console ourselves with the fact that he was a great and good man and hope that the Almighty will give us the strength and determination to continue the good work which he can now no longer perform.

Please convey to Mrs. Tshekedi Khama and the family our deepest sympathy with them at this time. We pray that they may receive the comfort and consolation of Him who being everywhere lets none who pray to Him seem all alone.

Yours sincerely,

*S.K.M.*
