Union Theological Seminary
New York, New York

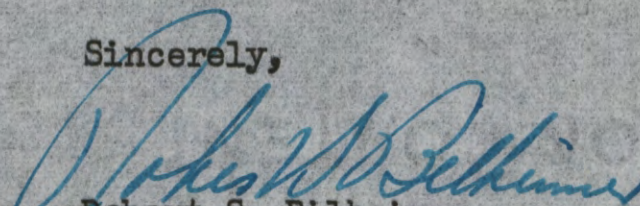

Dear Dr. Matthews:

I am enclosing a pamphlet issued in preparation for the discussion at the Second World Assembly of the World Council of Churches on the subject of "Inter-group Relations - the Church Amid Racial and Ethnic Tensions." This pamphlet has been prepared by the Study Department and the officers of the Commission to describe the kind of issue which it is proposed be discussed at the next Assembly.

We should be very grateful for your comments upon it, and if you would care to have additional copies, I shall be glad to supply them to you.

With warm regards,

Sincerely,

Robert S. Bilheimer
