Mr. Quintin Whyte,
Institute of Race Relations,
P.O. Box 97,
Johannesburg.

Dear Mr. Whyte,

--- I am sending you herewith the paper which I agreed to prepare for the Cape Town Conference on the Tomlinson Report.

Dr. Mtimkulu and I collaborated in the preparation of the paper. You will find that what I am sending you now is divided into two parts. In Part I we have endeavoured to set out the position of the African as envisaged by the Tomlinson Commission together with the Government's reaction to the principal recommendations of the Commission. In Part II we have considered the African view to the future in the light of the Report and the White Paper in general terms. Dr. Mtimkulu in leading the discussion after the reading of the paper will deal with the African attitude to certain specific recommendations. I am afraid his side of the paper is not ready yet, but he hopes to have it ready by the time he returns from Durban where he has gone for a brief holiday. If you care to communicate with him, I think his old address, Ohlange Institute, Private Bag, Durban, will find him.

With kind regards,

Yours sincerely,
