Dear Sir,

Mr. S.M. GUMA has applied for the vacant post of Lecturer in Bantu Languages in this University and has given your name as that of one of his referees.

I would be grateful if you would be good enough to let me know, in confidence, your opinion of Mr. Guma (with special reference to his teaching ability and research work, if any) and the way in which he is likely to get on with staff and students.

With many thanks for your assistance.

Yours faithfully,

REGISTRAR.
