Professor Z. K. Matthews,
P. O. Box 81,
ALICE,
Cape Province.

Dear Professor Matthews,

Thank you very much for your letter of October 17, enclosing the proof of your article and the additions you have kindly written.

We are not surprised that you were unable to complete this work by the first week of October, for we knew that you were busy in Pretoria. We are very sorry to hear about your illness and we hope you have now fully recovered.

In the circumstances we were unable to hold up the December issue of "Optima", which has now gone to press. We are therefore proposing to publish your article as a supplement to the following issue.

We will write to you again if we have any comments to make as soon as we have had an opportunity of studying the additional material you have written.

With kind regards,

Yours sincerely,

C. S. POLLARD,
for PUBLIC RELATIONS CONSULTANT.
