Dear Dr Matthews,

The last meeting of SASP requested the Executive Secretary to arrange for a U.S. domiciled SASP member to keep in touch with the headquarters for the Society for International Development at Washington, to which body SASP recently took out membership. As you are so familiar with our work and as you will be living in Washington for some time I believe, may I ask you to honour us by performing this function.

Yours sincerely,

Robert Menzies,
Executive Secretary of SASP
