Dear Mr. Moore,

I am writing to express my concern over the recent developments involving Ms. Mxolisi Mazelo, a member of the S.R.C. Union. I hope this letter finds you well.

Ms. Mazelo was a member of the S.R.C. Union and a respected member of the university community. She has been actively involved in various campus activities, including cultural and academic events. Her dedication and commitment to the university have been evident throughout her time at the university.

Recently, Ms. Mazelo was informed that she would be unable to continue her studies due to financial difficulties. This news came as a shock to the university community, as Ms. Mazelo was a hardworking student with a bright future ahead.

I understand that there are many challenges facing our students, and I believe that we need to do more to support them. It is important that we provide our students with the necessary resources and assistance to help them succeed.

I hope that the university administration will take the necessary steps to support Ms. Mazelo and other students in similar situations. I believe that we need to prioritize the well-being of our students and provide them with the support they need to succeed.

Please let me know if there is anything you need from me.

Sincerely,
