Dear Dr. Matthews,

Thank you so much for your letter of 19 August which I found on my return yesterday from the Apartheid Seminar in Brasilia.

My natural disappointment at your inability to be present at the forthcoming Board of Trustees meeting is entirely overshadowed by my joy on learning of your new and wonderful appointment. Please accept this warmest expression of not only my personal congratulations, but also those of all my colleagues at UNITAR.

I will not fail to convey the news of your new appointment to the Chairman who would I am sure, already at this stage, wish me to add his congratulations as well as those of all the Members of the Board.

Wishing you every possible success in your new and most exciting endeavours and looking forward to even closer co-operation with you when you are installed in New York.

I remain, with kindest regards,

Yours very sincerely,
