Rev. Dr. A. W. Blaxall,
P. O. Box 673,
Johannesburg.

Dear Dr Blaxall,

I am sending you herewith a letter of recommendation in respect of Rev. S. S. Seane who is desirous of obtaining a scholarship to enable him to proceed overseas for further studies. I believe he has already communicated with you about the matter. He is, in my opinion, one of our promising younger ministers and if it is at all possible I think that he should be given the opportunity which he seeks.

I do not suppose this letter will find you at home. You must be on your way to Cape Town for the Christian Council meetings, but it will catch up with you somewhere.

Wishing you the best compliments of the Season,

Yours sincerely,

62-102

This is to certify that Rev. Samuel Sidney Seane was a registered student of the University College of Fort Hare during the years 1946 and 1947. He was then studying for the ministry of the Methodist Church of South Africa. I believe that he is today an ordained minister of that Church.

During his stay here at College he proved himself a hardworking student of more than average intellectual ability. Not only did he complete successfully his ministerial studies, but he took on academic studies to improve his general education, and by the time he left he had completed the requirements for the first year B.A. After he left College he continued his private studies and eventually completed the requirements for the B.A. degree of the University of South Africa. During his stay at Fort Hare he played a prominent part in the activities of the Students' Christian Association. He has a bright disposition, is always courteous in manner and dignified in his bearing. His character and conduct are exemplary.

I gather that he is anxious to get an opportunity to proceed overseas for further study. From my knowledge of him I should say that he is the kind of man who would make excellent use of such an opportunity. I have no hesitation in recommending him for serious consideration for an overseas scholarship.
