I explained to him that if he meant by sin tearing with somebody else's wife, or getting away with crooked deals in business, or beating his wife, he did not sin. But it might be sin just to let the whole center of life be in his office and his apartment. It might be sin to have nothing else to give people but good humour and a smile, for when a man is in deep need these are poor medicines. There were people who could be transmitted into the lives of others. That Power was the one solution to all problems, & without it men go over the rocks. He prided himself on being unselfish. his followers.

Jesus is love incarnate.

There is a danger of being a midland
in the Kingdom of God.

If you care to come to battle
that has more than pin sticking
or scratching. Come here
where you will find gun firing
& cannon-shots exploded to
you.

Selfish - Self considering
people we are apt to be, love
can put that away.

Mildred saved her little young
brothers & sisters by hiding them
under the bed & she lay
on top of the bed in order
that those savages who wished
to kill them would find her
on the bed & kill her but
they would not think that
there was anybody hiding
under the bed. They saw
They slashed her with swords

but the little ones were saved
& she, fortunately was not
mortally wounded.

He who lives by love can
never die.

By Mr. Miller.

Conference ought not to conclude
things, conference are to begin
things.

I would suggest that we should
not expect too much from the
people who have not been in this
conference!

We should not be content with
the sense of inner glory because
we have got rid of our trivial
sins. Sense of maladjustment
of the people & their suffering in
the world, we shall not rest content!

Rest not content that because
your own adjustment has been
settled that everything is
abright, you need to see
that all the agony of people
in the world has been removed.

The people killed Jesus because
they did not believe or the
change + lines of action that
he was bringing about.

He acted as if the work that
he was coming to do had been
what he wanted it to be.

Life as it ought to be, in the kingdom
of God. (Picture)

"What must I do to inherit eternal
life?" Do nothing.

Good actions cannot produce life.
Good agricultural application cannot
produce life.

It is the life within the tree
that gives life to tree.

It is what we are that determines
our fate. It is the heart within.

Outward show of trying to be good
means nothing. We may be struggling
hard & be successful in keeping law

carefully but if our heart is full of
hatred, pride, selfishness our
righteousness is but filthy rags.

Outward correct behaviour and a

Cold heart is not true religion.

Inward warm living loving heart
filled to the brim with service &
love for God is the correct life.

Men want to hear God's voice
speak, but he once did so
for the voice of Jesus was
the voice of God.
