Dear marivate

I was very pleased to receive your letter but I got it rather a bit late just on the above date on the evening.

Results: Those who failed at Valdezia are Alice, Alfred and Ester sorry for them.

Elin: There were 29 in std \bar{v}_1 and out of those 29 passed and ten failed.

Kunulen: On std \bar{v}_1 there were 9 and 4 out of those passed and 5 failed.

Tshakuma: There were 2 scholars and 1 passed.

Deaths: Ben madzivi is dead, niwamapilani of Valdezia died on the 5th of July. She was the oldest woman in ~~of~~ our farm as Levesche told the people the day of her burial.

After Synod Rev S. Bovel came to Valdezia. People gathered in Church in the evening. It was there that he bade us farewell, he said he is going back to Switzerland.
