LIST OF FIGURES AND TABLES .................................................. (xi)
LIST OF ABBREVIATIONS ..................................................... (xiv)

CHAPTER 01 INTRODUCTION ................................................... 1

1.1 THE PROBLEM ............................................................. 3
1.1.1 Anti-dumping protectionism ........................................ 3
1.1.2 Illustrating the danger of reducing the global economic pie .. 5
1.1.3 Anti-dumping - A Prisoner’s Dilemma ............................ 7
1.2 METHODOLOGY AND OUTLINE OF STUDY ................. 11

CHAPTER 02 TRADE REMEDIES UNDER THE MULTILATERAL
TRADE AGREEMENTS ON TRADE IN GOODS ....................... 16

2.1 GATT (1947) AND SUBSEQUENT MULTILATERAL
TRADE AGREEMENTS .................................................... 18
2.1.1 The Kennedy Round of multilateral trade negotiations
(1964-1967) ............................................................... 20
2.1.2 The Tokyo Round of multilateral trade negotiations (1973-1979) .. 21
2.1.3 The Uruguay Round (1986-1994) ............................ 23
2.1.4 The Doha Development Agenda (2001 - ) ...................... 26
2.2 NON-TARIFF TRADE REMEDIES CURRENTLY IN USE .... 28
2.2.1 Anti-dumping measures ............................................. 33
2.2.2 Countervailing measures .......................................... 35
2.2.3 Safeguards .......................................................... 38
2.3 THE NEW PROTECTIONISM IN THE TRADE
IN GOODS .................................................. 39

2.4 ANTI-DUMPING - THE MAIN CULPRIT ................. 41
2.5 THE ECONOMIC IMPACT OF ANTI-DUMPING ......... 43
2.5.1 The welfare effect ........................................... 43
2.5.2 The effect on international trade, competition and world prices . . . 44
2.5.3 Uncertainty .................................................. 45
2.5.4 The harassment effect ....................................... 46
2.6 CONCLUSION ............................................. 47

CHAPTER 03 DUMPING ........................................... 49

3.1 DIFFERENT TYPES OF DUMPING ....................... 50
3.1.1 Type A dumping - to dispose of casual overstock
(sporadic dumping) ........................................... 50
3.1.2 Type B dumping - Unintentional or accidental dumping ........ 52
3.1.3 Type C dumping - to maintain connection (or goodwill)
in a market in which prices are on remaining
considerations unacceptable ................................... 53
3.1.4 Type D dumping - to develop trade connections and buyer’s
goodwill in a new market ..................................... 54
3.1.5 Predatory dumping (Type E dumping - to eliminate competition
in the market dumped on and Type F dumping - to forestall
the development of competition in the market dumped on) ........ 54
3.1.6 Type G - to retaliate against dumping in the reverse direction . . . 55
3.1.7 Type H dumping - to maintain full production from existing
plant facilities without cutting domestic prices .................. 56
### 3.1.8 Type I dumping - to obtain the economies of larger-scale production without cutting domestic prices .......................... 57

### 3.1.9 Type J dumping - on purely mercantilistic grounds .................. 58

### 3.1.10 Counter-cyclical dumping ........................................ 59

**3.2 ECONOMIC THEORIES OF DUMPING BASED ON MARKET PRINCIPLES** .................................................. 59

#### 3.2.1 Dumping as price discrimination between different national markets .................................................. 59

#### 3.2.2 Predatory dumping .................................................. 68

#### 3.2.3 Selling below the full cost of production ........................................ 71

#### 3.2.4 Ehier’s modern theory of dumping .................................. 77

#### 3.2.5 Dumping as a result of state aid ...................................... 79

#### 3.2.6 Dumping as the result of strategic trade policy ......................... 80

**3.3 DUMPING ORIGINATING FROM NON-MARKET ECONOMIES** .................................................. 83

**3.4 THE ECONOMIC EFFECTS OF DUMPING** .......................... 88

#### 3.4.1 The effect of dumping on the market of the country dumped on ........................................ 88

#### 3.4.2 The effect of dumping on the domestic market of the exporter ........................................ 91

**3.5 RESPONSES TO DUMPING** ........................................ 92

#### 3.5.1 Anti-dumping and countervailing measures ........................................ 92

#### 3.5.2 Competition policy .................................................. 93

**3.6 CONCLUSION** .................................................. 96

**CHAPTER 04 THE ANTI-DUMPING AGREEMENT** ........................................ 98

#### 4.1 THE URUGUAY ROUND ANTI-DUMPING AGREEMENT ........................................ 98

#### 4.1.1 Like product .................................................. 100
4.1.2 Evidence of dumping ........................................ 102
4.1.3 A fair comparison ........................................... 103
4.1.4 Weighted-averages versus transaction based values .......... 106
4.1.5 Zeroing .................................................. 110
4.1.6 Sampling .................................................. 112
4.1.7 The normal value ........................................... 113
4.1.8 No reliable normal value .................................... 114
4.1.9 Exports to third country and the constructed value method .... 114
4.1.10 Non-market economies and the analogue method ............ 115
4.1.11 The export price .......................................... 116
4.1.12 The dumping margin ....................................... 119
4.1.13 Cumulation .............................................. 121
4.1.14 Material injury and causation ................................ 121
4.1.15 A provisional duty ......................................... 123
4.1.16 The anti-dumping duty ..................................... 124
4.1.17 Price undertakings ......................................... 125
4.1.18 The lesser duty rule ......................................... 125
4.1.19 The sunset clause and reviews ................................ 127
4.1.20 A public interest test ....................................... 128
4.1.21 Best information available .................................. 129
4.1.22 The Dispute Settlement Process .............................. 130
4.2 ANTI-DUMPING LEGISLATION AND PROCEDURE .......... 132
4.3 CONCLUSION ............................................... 137

CHAPTER 05 NORMAL VALUES IN A MARKET ECONOMY COUNTRY .... 138

5.1 THE NORMAL VALUE ......................................... 139
CHAPTER 06 NORMAL VALUES FOR A NON-MARKET ECONOMY .................. 164

6.1 AN HISTORICAL BACKGROUND TO THE ANALOGUE METHOD .............. 164

6.2 CRITICISMS OF THE ANALOGUE METHOD ....................... 170

6.2.1 The choice of the analogue country ...................... 170

6.2.2 Uncertainty .................................................. 172

6.2.3 Increasing the likelihood of affirmative anti-dumping decisions .......... 172

6.2.4 The dumping margin ...................................... 175

6.2.5 Comparative advantage impossible for NMEs .................. 176

6.2.6 The investigative authorities could be biased .................. 176

6.2.7 The harassment effect ................................... 178

6.2.8 Protectionist bias of anti-dumping .......................... 178

6.2.9 Country-wide duty ....................................... 179
