ACKNOWLEDGEMENTS

I am deeply indebted and grateful to those who have assisted me in the completion of this research project. The following deserve special mention:

- My supervisor, Dr SA Coetzee for encouragement and guidance
- My joint supervisor, Professor W Bray for guidance and support
- The Gauteng Department of Education, for granting me the permission to conduct the research
- Grade 9 educators from the selected schools for their willingness and participation in the research
- My children, Kushal and Raashmi Myuri for their support
- Almighty God, for the strength, wisdom and good health to accomplish this research project
