ACKNOWLEDGEMENTS

I hereby express thanks and appreciation to:

- My wonderful husband, **Piet** and daughter, **Liz-Marié**, for their support, commitment, love, prayers, patience and understanding.
- My other daughters, **Lizelle and Sumarié**, for love, encouragement and their belief in me to complete my studies.
- My supervisor, **Professor M.P. van Rooy**, for his continued support, patience, commitment and skilled guidance.
- My parents, **John and Alida Gianoutsos**, for their motivation, prayers, encouragement and belief in me.
- My parents-in-law, **Anna and Gert Strydom**, for their motivation, prayers, encouragement and belief in me.
- My sister, **Elmarie Strydom**, for her belief in me, her encouragement, prayers and practical support when I needed it so much.
- **Dr Anna-Elmarie Pieterse**, a true Godsend, for her emotional support and belief in the topic and me, at a time when I needed it the most.
- The subject librarian at UNISA library, **Karliën de Beer**, for her support, commitment, always friendly and prompt assistance.
- **Professor Eleanor Lemmer**, for her prompt and efficient editing of the script.
- All the **participants** in this research for their friendly participation and kind co-operation.

I am thankful to my heavenly Father, who through His merciful love and grace, made it possible for me to complete this dissertation. In times when I felt discouraged, He put people on my way to support and give guidance for the best way to go forward. He is always prompt in answering my prayers – spoken or unspoken. I would like to give Him all the glory and Honor.
