### **LETTER TO RESPONDENTS**

Dear antenatal mothers

**Title:**

**Knowledge of antenatal women attending antenatal clinic on transmission of HIV through breast-feeding in Gaborone, Botswana**

I, Faides Kasinja am a student at UNISA doing MACUR in Health Studies and in fulfillment of academic purposes is conducting a study. I hereby request your voluntary participation in the study. The completion of the interview schedule will take 20 to 30 minutes. Anonymity and privacy will be maintained by not indicating your name and the name of institution on the interview schedule. The information gained from the study will improve education on prevention of mother to child transmission of HIV through breast-feeding. You will not receive any payment for participating in the study. A consent form is attached.

Thank you

Yours faithfully

**Faides T Kasinja**
