

THE NARRATIVE ON ANCIENT
ETHIOPIAN EXODUS
Historical account from Adam to Rastafari

THE NARRATIVE ON ANCIENT
ETHIOPIAN EXODUS
Historical account from Adam to Rastafari

Mankind has had a lifetime long struggle against evil for its basic elements of righteousness. From the origin of the homo-sapiens, the ancient agricultural revolution and the cradle of education system of the universe, this book takes us on a journey discovering the beginning of religion, the untold stories to the moments of restoration.
