Mr. Z. K. Matthews, B.A., LL.B.,
Ananzimtoti Institute,
Adams Mission Station,
N A T A L.

Dear Matthews,

On my return from Umtata I found a letter from Dr. Loram enclosing a note from the Dean of Yale University which I think should serve the purpose of your American Consul. You had better show it to him and put it amongst your papers for travelling.

The Application blank mentioned in Dr. Loram's letter has not yet come to hand, but I shall send it as soon as it does if it is not sent to you direct. I am also enclosing an extract from a letter from Dr. Jesse Jones referring to yourself. You had better make a wallet of all the papers so that you may have time to study them on board the steamer and keep yourself thoroughly familiar with them.

Here it is:

"We are very glad to know of the American plans of Mr. Matthews. Be sure to have him let us know when he is arriving. We shall endeavour to send one of our African students to meet him on the boat. Should no one meet him I suggest that he take a taxi and come to our office if he lands during office hours which are from 9 a.m. to 5 p.m. except on Saturday when we close at 1: He can always telephone to my home: University 4-4102."

The regular office of the Phelps Stokes Fund is 101, Park Avenue, New York.

The Telephone number is Ashland 4-8578 New York, and cables are Stokesfund, New York.

,This particulars will be of help to you.

With kind regards,

Yours sincerely,

Alexander Kerr
