Dear Mr. Matthews,

Thank you for your letter of the 25th September enclosing the letter of acceptance of the terms of the appointment as research Fellow.

You will, in the meantime, have received Dr. Oldham's letter of the 13th September about the taking up of the appointment as you are not now able to put in the full six months originally planned. We have not yet heard from Mr. Rheinallt Jones but, as I gather from your letter the Inter-University Committee have given general approval to your plans, no doubt we shall be hearing from him soon.

Yours sincerely,

D.G. Brackett
