Dear Miss Brackett,

I am sending you herewith my report on my last trip to the field. I am sorry that I have not been able to let you have it sooner, but I hope it will reach you in time for the Council meeting.

As I have indicated in the Report I am now making plans for the writing up of my material. As the family was the institution to which I devoted most attention, I shall probably write up my material under the caption of "The Changing Family among the Barolong".

Please find enclosed my receipt for the last instalment on my allowance. I thought I had sent to you long, but it got mixed up with my other papers.

With best wishes,

Yours sincerely,

*J. K. Middleton*
