Professor Z. K. Matthews,  
African National Congress,  
Cape Provincial Treasurer.

Son of Africa,

The Paarl Conference of African National Congress (Cape) which met on the 16th & 17th of August, 1958, elected you as a Provincial Treasurer. The full list of elected Provincial Executive is attached on this letter.

Now this is the most important point in this letter to which I wish to draw your attention hence the working committee of the Cape Executive is to be within the area of the Provincial Secretary, I am finding myself in a position of not knowing how our working committee will work concerning the issues that will demand urgent financial requirements. Constitutionally, the branches should send all moneys of the Province to the Treasurer and that the working committee should get all moneys it needs to meet financial requirements for routine work from you. Will you please therefore give your opinion or advice on this matter.

I will be glad Professor if you can reply to this letter as soon as you can. We are engaged in a very great task of mobilising our organisation and to avoid the linking of all our efforts with the discrepancy of the past.

I beg to conclude with best wishes of getting Freedom in Our Lifetime.

Yours in struggle,

*J. J. Makwabe*

J. J. Makwabe Provincial Secretary.
