R/1224.

Rev. H. Booth Coventry,
3 Lewiens Court,
Lewiens Street,
SOMERSET WEST,
Cape.

Dear Dr Booth Coventry,

Professor Matthews has shown me your letter to him of 9th May 1956, and has asked me to reply to your queries about the numbers of graduates, the number of distinctions gained and about any other achievements gained by Fort Hare students.

I therefore enclose a copy of our latest Calendar, a list of graduands in 1955 and a graduation ceremony programme for 1956 from which you should be able to extract all the information you require. Most of this information, up to and including 1953, is to be found on pages 80 to 87 of the Calendar where sections A to G inclusive refer to degrees, section N to the University Education Diploma which is generally taken as a post-graduate course and has now entirely superseded the College Diploma in Education, and Section S refers to the University post-graduate Diploma in Theology.

The section of our Calendar referring to Successes of Former Students (pages 87 to 93) might also be of interest to you.

Yours sincerely,

REGISTRAR.
