Alice,  
CAPE PROVINCE.

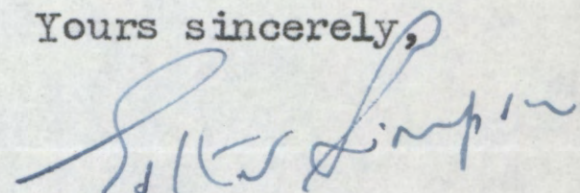

Dear Professor Matthews,

This Society was started in 1933 to help scholars displaced from university teaching or research positions for reasons of racial origin, political or religious opinion. We have recently obtained particulars about the members of the staff of Fort Hare University College, who have been dismissed or who have resigned. Our Society wishes to be as helpful as possible to them.

Your name was one of those given to us. We should be grateful if you would kindly fill in the enclosed questionnaire and return it to us together with your curriculum vitae and a list of publications. We shall welcome your own advice as to how we may best set about helping you.

With all good wishes,

Yours sincerely,

  
Esther Simpson  
Secretary
