Dear Prof. Matthews,

We were so very pleased to read in this morning's Rand Daily Mail that Rhodes University had conferred the degree of Doctor of Laws on you. It is an honour which you richly deserve & we are proudly rejoicing with all your friends that your splendid achievements have at last been recognised.

Beam joins me in sending you & Mrs. Matthews & the other members of your family our warmest congratulations on the great honour which has been bestowed on you.

With kindest regards,

Yours very sincerely,

Molly Fischer.
