

INDICATION OF POINTS TO BE RAISED IN STATEMENT.

1. In terms of our Constitution will re-iterate the determination of the Fort Hare Union to fight for Free University of Education for all irrespective of Colour.
2. Will condemn the Government take-over of Fort Hare and establishment of tribal and racial University Colleges.
3. Will appeal to the Public not to participate in the administration of these Colleges and thus to decline appointment to the Advisory Boards.
4. Will express great satisfaction with the Stand taken by those members of the Staff at Fort Hare who decided to resign.
5. Will deplore the fact that the Nationalist Government has barred the doors of learning to a number of Students merely because they do not support Apartheid.
6. Will express view that past Students will try to find ways and means together with any people of goodwill whereby those who are denied the opportunity to continue with their education may be assisted to find other channels through which to continue and complete their education.
7. I shall welcome any additional views and points which should be incorporated in such a Statement.
