My dear lac, The We 1955
At long last I caw eetele down and saritule a few liner to you. Font and foreman S vide to thane yon for the two letters. Shad firm yon es orel as for the wis of greetings on my birthday.

It mons sided a freianue to hems from you and to lever that yen are all hashing fit. Shoe Ar boluses health io very ouch arifrosed by woos.
s nu glad to be able to bay that we ane all in prod hicalth down this veg. Slather io ales at and about in office of all her aches and have.? had to call in the doctor for her a few week bach when che was not fueling to s good, but I ant glad to any he coon fueled her toned. We lad a terrific hail storm on Mayday afternoon which did a trenendones amount of damage to furphenty and gardens. The amount of haves it smashed as e smelting cont her. Wo hardly had time to lid our around after completing the years work when we use plunged into mending the storm savage.

I do wot know whetter braiding has, bl you the sad news of her husband arden demise from coronary thrombosis somewhere about the and of Tho mender. She dido at Werrmiton station where he intended to honed tho thin en seato to Bingo when he elapsed hut ho war bovid in visichully.

Besading io now hure in Keidanly bury tying to wind ext the hishands estate and it ocens its gring ts he an involued and long winded affain, hat s arffuce it mout be gone througr witt.

Who war the d.N.E borferance? I saw a very abridged vervion of ymur freedertial addres in our bocal fulue. II brariy life matter a bad tiste in oneb moutt and 2 wrued be obligied i. ypu would send rie a colly of the fuece sddress if your have one.

She stage ecurs to bo at for bhinetines and thenct a bot of excitment all over smong the hoople. I tiel this ofpotivity of wriding you ace the blesoings and haffiniers of the Jperitide and may feace and frosperitg be yours denning the conving yoon Zours kn affectionntely
