Dear Mr. McIntosh,

Thank you for your letter of the 18th inst. and for the kind remarks you make about my recent lecture at Cape Town. If I succeeded in interesting some people in the potentialities of our universities. I am satisfied.

I am being interested in the proposal to which you refer in your letter and I trust it will be launched successfully. I think there is a definite need for something of the kind to help students and others keep abreast of developments in Africa.

I thank you again.

Yours faithfully,

Z.K.M.
