Mr A. Leftwich,
148 St George's Street,
Cape Town.

Dear Mr Leftwich

In reply to your letter of July 20, 1961, in which you informed your intention to hold a Reception in my honour at some date to be decided upon, I beg to inform you that I shall be glad to attend such a Reception.

During my recent visit to Cape Town I gathered that you intended to hold this Reception in Alice and that Dr Kerr had already agreed to attend.

Thank you for your invitation,

Yours sincerely
Z.K. Matthews
